## D. SCOPE OF THE SERVICE PROGRAM

### 1. *Repair Services*

- Online RMA Requests
  - ✓ Online RMA requests can be submitted anytime day or night.
  - ✓ Wavelink will process online RMA requests submitted prior to close of business Monday-Friday the same day. Requests submitted after close of business Monday-Friday will be processed the following business day.
  - ✓ Refer to [support.spectralink.com](http://support.spectralink.com) for information and training on how to use iSupport to submit an online RMA request.
  - ✓ Refer to the Product Warranty Guide available at [support.spectralink.com](http://support.spectralink.com) for RMA business hours.
- RMA Email Service Request
  - ✓ Wavelink will respond to email requests for RMA services within one (1) business day of receipt.
- Product Replacement
  - ✓ Customer is responsible to ship the defective Product to Wavelink at its risk and expense and in accordance with Spectralink's current RMA procedures available at [support.spectralink.com](http://support.spectralink.com).
  - ✓ Customer must return the defective Product with the serial number specified in the RMA request.
  - ✓ Upon receipt of the returned Product, Wavelink will (a) verify the serial number, (b) determine if the Product damage or defect is covered (see Exclusions below), and (c) within one (1) business day, overnight ship a replacement Product to Customer at Spectralink's risk and expense.
  - ✓ If a returned Product has been discontinued during the term of the Service Program, Spectralink may ship a replacement Product that is substantially similar to the returned Product. Differences between the returned Product and the replacement Product may include color of the Product or other differences that do not affect the functionality or performance of the Product. For clarity, this Service Program does not cover discontinued Products, however, Products that are covered when the Service Program is purchased and discontinued thereafter will continue to be covered until the then-current term of the Service Program expires.
  - ✓ Customer will be responsible to pay Wavelink the then-current List Price (minus any applicable discount) for the replacement Product if:
    - a. the serial number of the returned Product does not match the serial number on the RMA request, and/or
    - b. the damage to or defect in the returned Product is not covered by this Service Program (see Exclusions below).

## E. EXCLUSIONS

### 1. *Technical Support Services*

- Visual defects such as minor scratches, paint wear or any other cosmetic issues that do no impact the operations or durability of a Product.

**F. CUSTOMER'S RESPONSIBILITIES.** In addition to any responsibilities stated above or in the Terms, Customer's responsibilities are as set forth below.

**1. Product Registration / Service Program Activation**

- Customer is responsible to provide the serial numbers for all Products to be covered by the Service Program to enable Spectralink to register the Products.
- Only Registered Products are eligible and entitled for Services under the Service Program.
- The Service Program will be activated upon registration of all Products covered by the Service Program.

**2. Excessive Return**

- Contractor reserves the right to monitor Product returns. Where contractor deems the rate of return excessive, contractor will develop an action plan with the customer aimed at reducing the rate to an acceptable level. If customer fails to reduce the Product return rates, contractor reserves the right to charge the then current List Price (minus any applicable discount) for each replacement Product shipped for Product returns in these categories. Any such fees will be invoiced twice monthly.

**3. Entitlement**

- Customer is responsible to provide the Product serial number for verification of entitlement when requesting Services (whether by online, telephone, or email).
- The serial number provided must be for the Product that requires Service.

**4. General**

- Customer must purchase the same Maintenance Service Program for all handset and charger Products in use at the same installation site.
- Customer must provide contact information for its designated technical representative(s) to assist Spectralink with the initial classification of a reported problem and subsequent troubleshooting steps.
- Customer is responsible for installation of all replacement Products provided as part of the Service Program.
- Customer is responsible to notify Spectralink of any changes made to the Products if such changes were made using hardware or software purchased from a vendor other than Spectralink.
- Spectralink may require an open purchase order or credit card number to cover any out-of-scope Services that may be requested or required during the term of a Service Program.
- Customer is responsible for all Customer obligations and responsibilities set forth in the Terms.
